

Install ATI Progressive Web App on an Android Phone

1. Navigate to “ati.apps22.com” or scan the QR code (if prompted, tap “Allow” for ATI Notifications)
2. Tap “Add ATI to Home screen”
3. “Add to Home screen” pop-up will appear. Tap “Add”
4. The ATI progressive web app can now be opened as a standalone app by tapping on the ATI app icon.
