Install ATI Progressive Web App on an iPhone

1. Navigate to “**atimartialarts.com.au/atiapp**” or scan the QR code (if prompted, tap “Allow” for ATI Notifications)
2. Tap the Share icon
3. Then tap “Add to Home screen”
4. Tap “Add”
5. The ATI progressive web app can now be opened as a standalone app by tapping on the ATI app icon.
